

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF FLORIDA**

CASE NO.

HOWARD MICHAEL CAPLAN,

Plaintiff,

vs.

SAL'S TOWING, INC., a Florida Profit
Corporation d/b/a SAL'S AUTO REPAIR
and 4033 GROUP, LLC, a Florida Limited
Liability Company,

Defendants.

COMPLAINT

Plaintiff, HOWARD MICHAEL CAPLAN (hereinafter "Plaintiff"), through the undersigned counsel, hereby files this complaint and sues SAL'S TOWING, INC. d/b/a SAL'S AUTO REPAIR ("SAL'S TOWING") and 4033 GROUP, LLC ("4033") (hereinafter, collectively referred to as "Defendants") for declaratory and injunctive relief; for discrimination based on disability; and for the resultant attorney's fees, expenses, and costs (including, but not limited to, court costs and expert fees), pursuant to 42 U.S.C. §12181 et. seq., ("AMERICANS WITH DISABILITIES ACT OF 1990," or "ADA") and alleges:

JURISDICTION

1. This Court is vested with original jurisdiction over this action pursuant to 28 U.S.C. §1331 and §1343 for Plaintiff's claims arising under Title 42 U.S.C. §12181 et. seq., based on Defendants' violations of Title III of the Americans with Disabilities Act of 1990, (hereinafter referred to as the "ADA"). See also 28 U.S.C. §2201 and §2202.

VENUE

2. The venue of all events giving rise to this lawsuit is located in Broward County, Florida. Pursuant to 28 U.S.C. §1391(B) and rule 3.1 of Local Rules of the United States District Court for the Southern District of Florida, this is the designated court for this suit.

PARTIES

3. Plaintiff, HOWARD MICHAEL CAPLAN, is a resident of the State of Florida. At the time of Plaintiff's visit to Sal's Towing & Auto Repair ("Subject Facility"), Plaintiff suffered from a "qualified disability" under the ADA, which substantially limits Plaintiff's major life activities, including but not limited to walking, and requires the use of a mobility aid. Plaintiff personally visited Sal's Towing & Auto Repair, but was denied full and equal access, and full and equal enjoyment of the facilities, services, goods, and amenities within Sal's Towing & Auto Repair, which is the subject of this lawsuit. The Subject Facility is an auto repair, and Plaintiff wanted to inquire about their services but was unable to due to the discriminatory barriers enumerated in Paragraph 15 of this Complaint.

4. In the alternative, Plaintiff, HOWARD MICHAEL CAPLAN, is an advocate of the rights of similarly situated disabled persons and is a "tester" for the purpose of asserting his civil rights and monitoring, ensuring and determining whether places of public accommodation are in compliance with the ADA.

5. Defendants, SAL'S TOWING and 4033, are authorized to conduct business and are in fact conducting business within the State of Florida. The Subject Facility is located at 4033 NE 9th Avenue, Oakland Park, FL 33334. Upon information and belief, SAL'S TOWING is the lessee and/or operator of the Real Property and therefore held accountable of the violations of the ADA

in the Subject Facility which is the matter of this suit. Upon information and belief, 4033 is the owner and lessor of the Real Property where the Subject Facility is located and therefore held accountable for the violations of the ADA in the Subject Facility which is the matter of this suit.

CLAIMS: VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

6. Plaintiff adopts and re-alleges the allegations stated in paragraphs 1 through 5 of this complaint, as are further explained herein.

7. On July 26, 1990, Congress enacted the Americans with Disabilities Act ("ADA"), 42 U.S.C. §12101 et. seq. Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of Title III of the ADA was January 26, 1992, or January 26, 1993 if Defendants had ten (10) or fewer employees and gross receipts of \$500,000 or less. See 42 U.S.C. §12181; 28 C.F.R. §36.508(a).

8. As stated in 42 U.S.C. §12101(a) (1)-(3), (5) and (9), Congress found, among other things, that:

- i. some 43,000,000 Americans have one or more physical or mental disability, and this number shall increase as the population continues to grow and age;
- ii. historically, society has tended to isolate and segregate individuals with disabilities and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;
- iii. discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- iv. individuals with disabilities continually suffer forms of discrimination, including: outright intentional exclusion; the discriminatory effects of architectural, transportation, and communication barriers; failure to make modifications to existing facilities and practices; exclusionary qualification standards and criteria; segregation, and regulation

to lesser services, programs, benefits, or other opportunities; and,

- v. the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which this country is justifiably famous and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

9. As stated in 42 U.S.C. §12101(b)(1)(2) and (4), Congress explicitly stated that the purpose of the ADA was to:

- i. provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- ii. provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
- iii. invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily basis by people with disabilities.

10. Pursuant to 42 U.S.C. §12181(7), and 28 CFR §36.104, Title III, no individual may be discriminated against on the basis of disability with regards to the full and equal enjoyment of the goods, services, facilities, or accommodations of any place of public accommodation by any person who owns, leases (or leases to), or operates a place of public accommodation. Sal's Towing & Auto Repair is a place of public accommodation by the fact it is an establishment that provides goods/services to the general public, and therefore, must comply with the ADA. The Subject Facility is open to the public, its operations affect commerce, and it is a service establishment. See 42 U.S.C. Sec. 12181 (7) and 28 C.F.R. 36.104. Therefore, the Subject Facility is a public accommodation that must comply with the ADA.

11. The Defendants have discriminated, and continue to discriminate against Plaintiff, and others who are similarly situated, by denying access to, and full and equal enjoyment of goods, services, facilities, privileges, advantages and/or accommodations at Sal's Towing & Auto Repair

located at 4033 NE 9th Avenue, Oakland Park, FL 33334, as prohibited by 42 U.S.C. §12182, and 42 U.S.C. §12101 et. seq.; by failing to make reasonable modifications in policies, practices, or procedures pursuant to 42 U.S.C. §12182(b)(2)(A)(ii); and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(A)(iv).

12. Plaintiff has visited the Subject Facility, and has been denied full, safe, and equal access to the facility and therefore suffered an injury in fact.

13. Plaintiff shall suffer a future injury as Plaintiff intends to return and enjoy the goods and/or services at the Subject Facility within the next six months. The Subject Facility is in close proximity to Plaintiff's residence and is in an area frequently travelled by Plaintiff. Furthermore, Plaintiff will also return to monitor compliance with the ADA. However, Plaintiff is precluded from doing so by the Defendants' failure and refusal to provide people with disabilities with full and equal access to their facility. Therefore, Plaintiff continues to suffer from discrimination and injury due to the architectural barriers, which are in violation of the ADA.

14. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the requirements of the ADA. The ADA Accessibility guidelines (hereinafter referred to as "ADAAG"), 28 C.F.R. Part 36, may cause violators to obtain civil penalties of up to \$55,000 for the first violation and \$110,000 for any subsequent violation.

15. The Defendants are in violation of 42 U.S.C. §12181 et. seq., and 28 C.F.R. 36.302 et. seq., and are discriminating against Plaintiff with the following specific violations which Plaintiff

personally encountered and/or has knowledge of:

Where not all entrances comply, compliant entrances must be identified by the International Symbol of Accessibility. Directional signs that indicate the location of the nearest compliant entrance must be provided at entrances that do not comply. 2012 ADA Standards 216.6

16. Upon information and belief there are other current violations of the ADA at Sal's Towing & Auto Repair. Only upon full inspection can all violations be identified. Accordingly, a complete list of violations will require an on-site inspection by Plaintiff's representatives pursuant to Rule 34b of the Federal Rules of Civil Procedure.
